Subject: TCA Web Site

My name is Lori Morris. I live in Colorado, USA, but grew up in Scranton, Pennsylvania. Upon my grandmother's death 7 years ago, I came across many pieces of information about the Turnbulls. My grandmother's mother was Agnes Turnbull Shepherd. I have continued my research since that time, and currently have original Turnbull cemetery deeds (from my grandmother's possession), photos and records from Forest Hills Cemetery (taken in 2010), old letters (from my grandmother's possession), a will (from the possession of my grandmother), among other odds and ends.

In addition, there is another Turnbull family buried next to my Turnbull family in Forest Hills Cemetery, Dunmore, Pennsylvania. An unknown James Turnbull is a witness to many of the cemetery deeds, and I believe him to be the former caretaker of Forest Hills Cemetery. His Turnbull family is buried next to mine in a rather large cemetery, making me wonder if there is a family connection, although I have yet to prove it.

I would love to share my information, which expands slightly what is listed on your site, if you are interested. Please let me know.

This is the Turnbull portion of the tree of my family:
