

Cyril & Shirley FENWICK <cyfenwick@bigpond.com>

Hi Brian,

While researching my family tree, which I have been doing for many years and is now just about completed, I came across some of my wife Shirley's relatives (Brooks) in the Turnbull Clan genealogy and was wondering if you could enlighten me and I may be able to give you some further information as her family tree is a little bit different to the normal tree.

I will enclose her Paternal side of the tree down to her father who was Athol Leslie BROOKS and his siblings.

You will notice by the tree that there is a legitimate and illegitimate side of the family and by intermarrying it goes back to one head of the family who was Captain Richard BROOKS of Denham Court, Campbelltown.

Incidentally on her Maternal side of the family she the Great Great Great Granddaughter of a First Fleet convict who married a Second Fleet convict and is also descended from three other convicts.

This has all been verified by the "FELLOWSHIP OF FIRST FLEETERS" of which she is a member and I am an associate member.

Hope this can be of help to you and looking forward to your reply.

Thank you
